Pioneer NBA Golf Captain

Golfers All,

I felicitate with each and every one of you for partaking in this splendid competition. It is quite beautiful to sponsor this mammoth gathering of the finest selection of ladies and gentlemen.

I applaud the organizers of this marvellous competition for devoting their time and resources to this tournament. Having been there, I can attest to the fact that it is not an easy feat to organise a competition of this nature.

I am an advocate of regular exercise and social activities. Golf, I believe, is one of the greatest forms of exercise a person can engage in. The beauty of golf is the ability to immerse oneself into nature for a good amount of hours, the ability to socialise with colleagues and meet new friends. Most important of all is that a peaceful and soothing round of golf allows one to hit a 200-meter drive which hopefully lands on the fairway.

Happy golfing.
