OUR Esteemed Partners

Dear Sir/Ma

RE: PROPOSAL FOR SOLAR/INVERTER INSTALLATIONS; DIFFERENT CAPACITIES, WHAT THEY CAN POWER, THEIR COST AND FLEXIBLE PAYMENT PLAN UP TO ONE YEAR.

Sequel to our Letter for Partnership with your outstanding organisation and the support you have given so far, we seek to propose as follows:

Under our “**SOLAR FOR ALL PROMO**”, we will install Solar systems for your Members at the payment of Ten percent [10%] of the Total cost of each chosen capacity. The Balance can then be spread into up to Twelve [12] months monthly installments. Post-dated Cheques and/or Direct-debit Orders for the balance/installments shall be issued; as evidence to our Whitemen Partners that we have not been paid in full. Clients who wish to take advantage of this offer will also pay 10% of the Balance as charges, to cover inflation and Foreign exchange fluctuations.

Below are the options:
