OUR Esteemed Clients.

Dear Sir/Ma

**RE: PROPOSAL FOR SOLAR/INVERTER INSTALLATIONS; DIFFERENT CAPACITIES, WHAT THEY CAN POWER, THEIR COST AND FLEXIBLE PAYMENT PLAN UP TO SIX MONTHS**

Sequel to our Letter for Partnership with your outstanding organisation and the support you have given so far, we seek to propose as follows:

Under our “**SOLAR FOR ALL PROMO**”, we will install Solar systems for your Members at the payment of Fifty percent [50%] of the Total cost of each chosen capacity. The Balance can then be spread into up to Twelve [12] months monthly installments. Post-dated Cheques and/or Direct-debit Orders for the balance/installments shall be issued; as evidence to our Whitemen Partners that we have not been paid in full. Clients who wish to take advantage of this offer will also pay 10% of the cost as charges, to cover inflation and Foreign exchange fluctuations.
