Asabe Waziri who a senior management staff of Nigeria National Petroleum Company Limited (NNPCL) has been boasting about how she has successfully employed and influenced the CP Oyakhire, the commissioner of Police, legal hereafter, referred to CP Legal to deal with me , by charging me with various offences , to deter me

from opposing his Illegal and unlawful action against me and my client Cecil Osakwe.

The CP Legal, after financial inducement from Asabe Waziri has knowingly, given unlawful advisory to the IGP in aid of ASABE WAZIRI and caused officers of the Nigeria police force led by Csp Maga, to **FORCEFULLY BREAK INTO AN APARTMENT** destroying doors and forcefully putting ASABE WAZIRI in possession of a the flats situated at NO 1 Mekong close Maitama, Abuja.

This was done on the June 26th, 2024, while there was pending application for **STAY OF EXECUTION**, Notice of Appeal with Appeal NO: CA/ABJ/CV/246/2022 to the Court of Appeal and positive Order of Court in High Court Keffi , Nasarawa State in Suit no: NSD/K70F/2024, served on Asabe Waziri and the Police.

In a reckless manner, I was arrested as the lawyer to Cecil Osakwe and the Abebe Signature Apartment forcefully taken to the apartment and made to open the flats. I insisted that I will not be able to do that, since that matter is subject of litigation in both the Supreme Court and the High Court.

However, at the instance and advice of Cp Legal, the police officers break the doors of the flats and put Asabe Waziri in possession. Asabe Waziri has remained in the flats till date.

The CP legal, knowing that I will insist on the lawful action, conspired with Asabe Waziri to fetch and fish out different cases against me to set me up with the aim of raising charges against me .

The Cp Legal is using his office, to raise charges against me with the intention of silencing me from speaking out against his illegal and unlawful despicable action , that puts the image of the Nigerian police into disrepute, just to favour Asabe Waziri.

As at today, the CP has filed charges against me at the instance of Asabe Waziri's petition.

The Charge with Charge NO: CR/150/25 filed at the FCT High Court is aimed at embarrassing and harassing me to satisfy the boasting and the yearnings of Asabe Waziri .

Attached are copies of the Front page of the Record of Appeal, the Notice of Appeal and Motion for Stay of Execution and the Court Order from Keffi High Court for your perusal.

As at today, the CP Legal and DPP have raised over five (5) different Charges against me and my client all the instance of ASABE WAZIRI as PETITIONER, at both the Federal High Court and FCT High Court. The charges include; **Charge No: CR/244/2022 between FRN v. Cecil, FHC/ABJ/CR/331/2022 between FRN v. Osakwe Ezem Cecil, Charge No: CR/222/2023 between FRN v. Cecil Osakwe & 2 Ors and Charge No: CR/150/25 between IGP v. Victor Giwa & Anor.** *Attached are the Charge Sheets of the various cases for your perusal.*

It humbly submit, that the current charge against me in Charge NO:CR/150/25 is baseless, frivolous and vindictive. It is self-serving and is borne out of Asabe Waziri's quest to use the CP legal to "deal with me"

Asabe Waziri was reported to have visited the Cp Legal at least trice every week to ensure that her deal is executed, hence this charge .

I am no longer safe as the people Asabe is using against me are capable of denying me justice and fairness.

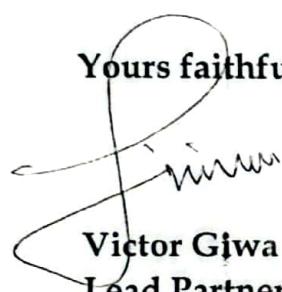

MY PRAYERS

It is on this note that I humbly request the following from your noble office:

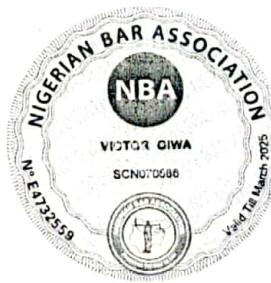

1. That you cause to be withdrawn the CHARGE NO: CR/150/25 IGP V BARR VICTOR GIWA & ANOTHR before the FCT High Court Apo.
2. That you investigate the action - FINANCIAL INDUCEMENT OF THE CP LEGAL BY ASABE WAZIRI TO INSTIGATE CHARGES AGAINST ME FOR WITHSTANDING THE ACTIONS OF THE CP LEGAL;
3. That you arrest and prosecute Asabe Waziri for all her atrocities against me, and
4. That you further investigate the activities of Asabe Waziri.

Thanks in anticipation of a prompt action.
