

PUBLIC NOTICE

The attention of the Corporate Affairs Commission (CAC) has been drawn to the circulation and use of certain purported company names and registration numbers which are NOT registered in our records.

The public is hereby warned to disregard these entities and exercise the highest level of caution when dealing with individuals or organisations using the names with corresponding purported RC numbers below:

This publication is in line with our statutory mandate to maintain an accurate, reliable companies register and to protect investors, businesses, and the general public from fraudulent activities.

The following entities are NOT registered with the CAC:
