**The President,
Nigeria Bar Association (NBA),
NBA House, Plot 1,
Mohammadu Buhari Way,
Central Business District,
Abuja, FCT.**

Sir,

**CHARGE NO: CR/150/25 BETWEEN IGP V BARR. VICTOR
GIWA & ANOTHER**

**THE PEOPLE AFTER ME HAVE SUCCEEDED TO GET HON.
JUSTICE JUDE ONWUEGBUZIE TO GRANT PROSECUTION
'S STRANGE MOTION ON NOTICE TO BE MOVED ON 26th
JANUARY, 2026, SEEKING TO "REVOKE MY BAIL AND
REMAND ME IN KUJE CORECTIONAL CENTRE UNTIL THE
END OF TRIAL": A CRY FOR URGENT INTERVENTION.**

Mr, President, Recall I wrote you a letter dated 25th November, 2025 to officially inform you and bring to your attention the situation regarding the judicial proceedings in the FCT High Court, particularly, FCT High Court No. 30, Apo before His Lordship, Hon Justice Jude Onwuegbuzie and the patent compromised by external influences of judicial proceedings and the injustice perpetrated by Asabe Waziri, a Management Staff of Nigerian National Petroleum Company Limited (NNPCL) facilitated by some named persons.

The situation has degenerated below Injustice and has become dirty and somewhat indescribable.

1. The event in court shows that Hon Justice Jude Onwuegbuzie is no longer conducting my trial, His Lordship is on a vengeance and vindictive mission to embarrass, humiliate and punish me as planned by Asabe Waziri of NNPL and her named facilitators. **The concluded plan is to send me to Kuje Correctional Centre, from where I should be attending my trial.**
2. Hon Justice Jude Onwuegbuzie hurriedly struck out my six applications challenging the Court's jurisdiction filed between May and December, 2025, on 21st January, 2026 in a terse Ruling and on oral application of the Prosecution. This is to clear the way for the grant of the Prosecutor's Motion seeking "**TO REVOKE MY BAIL AND REMAND ME IN KUJE CORRECTIONAL CENTRE UNTIL THE END OF THE TRIAL**".
3. My President, since the beginning of this trial, Hon Justice Jude Onwuegbuzie has granted all the Prosecutor's applications, and has refused all my applications including the application seeking the release of my International Passport to travel and get medication and see my family.
4. His Lordship has refused my application for CTC of the Ruling that His Lordship delivered on the 26th November, 2026 for a Motion I had not moved. His Lordship has refused my request for record of proceedings of the Court till date.
5. Each sitting in His Court during my trial has the presence of over eight Policemen inside the court, paid my Asabe Waziri, the Nominal Complainant and sponsor of the trial.
6. I had publicly and severally notified the Honourable court that I have lost total confidence in the Honourable Court but the Court still insisted to continue the case.
7. Each of the Court's sittings during my trial is characterized by threats and intimidation of "wielding the big stick".
8. Report has it that His Lordship has written in advance, a Ruling on the Prosecution's weird application, to be moved on 26th January, 2026 to "revoke my bail and remand me in Kuje Correctional Center till the end of my trial". Copy of Motion is "**Annexure A**".

9. Asabe Waziri, the Nominal Complainant and the sponsor of the Charge and trial was seen dancing in the Court at the striking out of my motions during the hearing on 21st January, 2026.
10. Asabe Waziri has vowed to ruin and damage my carrier and professional reputation with every resource she has, using her contacts and connection as an NNPC staff.
11. All these are irrespective of my four applications to the Chief Judge of FCT to direct recusal and reassignment of my case and my Petition against Honourable Justice Jude Onwuegbuzie to the National Judicial Council (NJC) in December, 2025.
12. In conclusion, a Judge that comes to Court with an already prepared Ruling on a Motion that has not been moved is not holding an even scale, He is holding a dagger.

MY PRAYER

I THEREFORE CALL ON THE PRESIDENT TO URGENTLY INTERFERE TO HALT THE EVENT FROM TAKING PLACE ON 26TH MONDAY, 2026, OR IN ANY OTHER DAY IN HON JUSTICE JUDE ONWUEGBUZIE'S COURT.

Thank you, sir.

Yours faithfully,

Victor Giwa Esq.
