Sir,

REQUEST FOR ACCESS TO RECORDS OF JUDICIAL APPOINTMENT SCORES UNDER THE FREEDOM OF INFORMATION ACT, 2011

We are Lawyers for Civil Liberty (LACIVLER Development Foundation), a public-interest organisation committed to transparency, constitutional governance, and informed civic engagement.

Pursuant to the Freedom of Information Act, 2011, we respectfully request access to the official records of the recent judicial appointment exercise for appointment of Federal High Judges, including:

1. The list of all candidates who participated in the process, with their full names; and
2. The corresponding scores awarded and gotten by each candidate at every stage of the process (including any computer-based test, written/aptitude test, and oral interview), as well as any final merit list or ranking used for recommendations.

This request is made in the public interest, given the central importance of transparency, merit and public confidence in the appointment of judicial officers. We trust the Council will facilitate access in accordance with the letter and spirit of the Act.

Please accept the assurances of our highest consideration.

Yours faithfully,
