29th July 2026

The Inspector General of Police
Nigeria Police Force
Force Headquarters
Luis Edet House
FCT - Abuja.

Dear sir,

**A CASE OF ACTS OF TERRORISM, THREATS TO LIFE, CONDUCTS
LIKELY TO CAUSE BREACH OF PUBLIC PEACE, WILFUL
DESTRUCTION OF PROPERTIES, CRIMINAL TRESPASS AND
CRUELTY AGAINST CYRIL ISHMAEL, CHUKWUMA ISHMAEL AND
THEIR ACCOMPLICES**

Our services have been retained by **Melody's Farm Ltd**, whom we shall hereinafter refer to as our client and on whose behalf, we write to your esteemed office.

It is our client's instructions, that on the **26th day of July 2026**, the CCTV cameras in its FARM, located at Umungwa/Umuobasi Village, Agbaragwu Otuka Community, Isialangwa South, Abia State, captured footages of the younger brother of Cyril Ishmael, called Chukwuma Ishmael alongside three other persons, at the behest of Cyril Ishmael, jumping into our client's farm, armed with guns, matchets, and dangerous chemicals, which was sprayed in our client's industrial poultry farm, thereby killing over three thousand birds, and causing our client over N250,000,000.00 in losses.

It is our client's instructions, that beside the killing of the birds, the dangerous chemicals sprayed in the farm, pose extreme health hazard, to the operators of farm, as their lives are put at heavy risk.

Managing Partner, Sir Nkemakolam Okoro S.C. Esq (LL.M),
Associates: I.O Ikwuka Esq, Kanu Ogbonnaya.O Esq, C.C. Chukwu (Mrs) Emmanuel Emerenini Esq, Hadiza Mohammed (Miss), N.J. Obiozu Esq,
I.A.Ayugu Esq, Moses Bisala Bature Esq, Christopher Amodu Esq

Our client, who is a law-abiding citizen, has decided to report this incident to your esteemed office for urgent investigation and possible prosecution of the culprits, by any specialized section of the Nigeria Police Force. It is our client's instructions that the incident of the 26th July 2026, was not the first time, the said terrorists, are willfully spraying dangerous chemicals in to our client's farm, with the sole aim of causing mass death of not just the birds but also the operators of the farm. Our client believes that a search in the adjoining property to our client's farm, belonging to Cyril Ishmael, will reveal where the dangerous chemicals are stored, including the arms, used by the said Cyril Ishmael, and his younger brothers and thugs.

We look forward to an expeditious attention to our petition. Please accept the assurances of our Chambers highest esteem.

Yours Sincerely,

Sir, Nkemakolam S.C. Okoro, Esq
