CEASE AND DESIST NOTICE & PRE-ACTION NOTICE

WILLFUL AND DELIBERATE PUBLICATION AND CIRCULATION OF FALSE, MISLEADING INCITEFUL AND INCRIMINATING NARRATIVES AGAINST THE PERSON OF DR. CHRIS OKAFOR.

We are Solicitors to **Dr. Chris Okafor** herein referred to as **"Our Client"** and on whose express instruction we write by issuing this public notice.

1. It has come to our client's attention, that on the **10th of November, 2026** you willfully published and circulated on your **Facebook** platform named **NewsMattazz with Princewill** false allegations, criminal defamatory narratives and statements, inciteful and incriminating narratives about him, without any regards for the truth, the gravity of what his being alleged but clearly, with every intent to smear and besmirch his name, his person and soil his reputation through false and malicious narratives for reasons best known to you.

2. **Identification of your deliberate false, incriminating and malicious narrative and statement includes the quotes below:**

   "Solomon has been spending money in Chris Okafor's church for spiritual intervention"

   "If you get problem with Chris Okafor and the matter reach Zone 2 Police station him don win"

   "Chris Okafor this your church we no dey hear say wan better thing link to the church, either bad thing happens to someone and almost all the story link to your church are not good"

   "The children of the man say make them ask Chris Okafor and his wife wetin them know about their papa demise"

3. **Explanation of Falsity:** our client nor his church were never linked nor connected to any Police enquiry or investigation as it relates to the demise of anyone, member or relative and his church never received money from anyone for spiritual intervention leading to the death of anyone and the demise of one Mr Solomon an extended relative of our client's wife who evidently had been seriously ill for many years, even before our client met and married his wife, has nothing directly or indirectly to do with our client, nor with the parents of our client's wife and that, dispute arose amongst the surviving siblings of the demised Mr. Solomon as to his dying wish of wanting to be buried in Lagos rather than being taken to the village for burial, which led a faction of late Mr. Solomon's family to petition another family in a bid to settle family feud. Thereby, making your commentary, statements and narrative on this matter devoid of truth and facts and a deliberate attempt to drag our client into this unfortunate situation and to smear our client's name by making this inflammatory, criminal defamatory and to incite the public against him.

4. **Proof of Harm:**

   Our client is a private citizen. However, less than **19hrs after your post, on the 10th November, 2026 over 4200** persons liked your posts soiling our client's name and **623 comments** mostly negative comments casting aspersion were made against our client, his wife, church and family

5. **Our Client's Demands:**
   a. To Cease and desist from further publication.
   b. Take down or delete the content made against our client on the 10th of November, 2026 from your Facebook and all platforms.
   c. Issue a public written retraction and apology.
   d. Pay the sum of **Five Hundred Million Naira (N500,000,000)** as general damages.

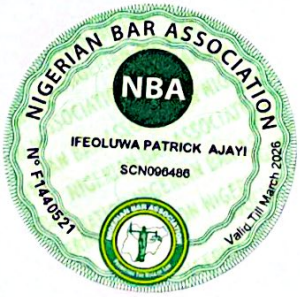

6. **Kindly take notice;** that if our client's demands are not met within 48 hours from the date of your receipt of this demand, our client has indicated that, he shall not hesitate to use every legal medium to ensure that you're held accountable in compliance with the law, either through civil or criminal proceedings. You have been duly warned.

7. **Take further notice;** that the freedom of expression enjoyed by an individual does not permit nor exempt such individual from both civil and criminal liability in the event he willfully and deliberately spreads and circulates falsehoods and incriminating narratives or materials against another citizen.

Many thanks and accept our professional regards.

Yours faithfully

Ife Ajayi, Esq.
