PUBLIC NOTICE

18TH November, 2026

WEBINAR ON THE ELECTION PETITION TRIBUNAL CASE MANAGEMENT SYSTEM (EPTCMS)

In furtherance of its commitment to the efficient, transparent and timely administration of justice, the Supreme Court of Nigeria has introduced the Election Petition Tribunal Case Management System **(EPTCMS),** a secure digital platform for the filing and management of election petition appeals before the Court. Given the strict constitutional timelines that govern election matters, the EPTCMS is designed to remove avoidable delays and bring greater speed, certainty and accountability to the appellate process.

KEY BENEFITS

- **Electronic Filing**: Filing of new appeal and all subsequent processes including applications are filed online.
- **Online Fees**: Filing fees are assessed and paid on the platform, with a clear record of every payment.
- **Case Tracking**: Users follow the status of their filings from a personal dashboard and receive updates by email and SMS.
- **Registry Queries**: Queries from the Registry are received and answered within the platform, so issues are resolved promptly.
- **Litigants in Person**: Litigants who appear in person enjoy the same access as legal practitioners.

SENSITIZATION WEBINAR

To showcase the EPTCMS and guide users on its practical application, the Court will host a public webinar as follows:

- **Date: Tuesday, 24th November, 2026**
- **Time: 10:00am to 11:45am**
- **Link: to be shared in due course across the Court official channels**

Participants will be taken through registration, filing of appeals and processes, payment of fees, responding to Registry queries and tracking of cases, with time for questions.

All legal practitioners, members of the Nigerian Bar Association and the general public are cordially invited to attend. NBA Branches are kindly requested to bring this notice to the attention of their members, and all stakeholders are encouraged to share it widely.
